LEAGUE RULES CHANGES THIS SEASON...

5. Teams may register Vice-Captains & Vice-Secretaries at the start of the season who can take the place of the Captain or Secretary in the Captains Knockout or Secretaries knockout, but they cannot play as a separate competitor. Only the named Captains, Vice-Captains, Secretaries and Vice-Secretaries are allowed to take part in the Captains Knockout or Secretaries Knockout respectively.
6. The match fee is £5.00 per match, to be returned each week with the result sheet to the Results Secretary, by the Monday following the match. Teams may wish to pay the full season's match fees up front or at two specific times during the season (set by the committee). They can then send their result sheet every week, either as a scan or a high quality photo, to the Results Secretary, preferably at the end of the match night, but no later than the Monday following the match.
12. Draw to be made for the Singles only. (Both Captains may agree on the night not to do a draw for the singles. If they cannot agree, a draw must be done). Pairs players are at the Captains discretion. No player may play more than once in the Pairs. Players' names must be written down in full (NO initials) on the result sheet, before the Singles matches start. Ditto for the Pairs matches. *If a team needs to change a player after the draw has been done, the opposition captain must be informed with the reason why. If agreed, then the player can be changed.
